## Education

University of California Berkeley  
November 2019 - May 2020, Berkeley, CA  
Full Stack Web Developer

---

Nida Memon  
Sunnyvale, CA  
nidasmemon@gmail.com

---

Over five years of experience teaching and mentoring students at various academic levels.  
Seeking a full stack developer position where I may utilize the latest technologies in web development.

## Work History

### GIS / Substitute Teacher

August 2006 - May 2008, Santa Clara, CA

- ❖ Followed classroom plans left by class teacher to continue student education and reinforce core concepts.
- ❖ Taught diverse subjects for grades K-8, successfully delivering seamless teaching in the absence of regular teacher.
- ❖ Proctored tests and standardized examinations.
- ❖ Took notes and prepared reports on school day activities to provide to primary teacher.
- ❖ Supervised lunchroom and recess activities.

### GIS / Teacher's Aide and Tutor

December 2003 - June 2006, Santa Clara, CA

- ❖ Eliminated learning gaps and effectively instructed students in English Language Arts using a wide variety of teaching aides and motivational strategies.
- ❖ Used behavior modeling and specialized teaching techniques to share and reinforce social skills.
- ❖ Assisted and mentored students in groups by reviewing lesson teachings.
- ❖ Worked with struggling students individually and in small groups to provide personalized educational support, and reinforce learning concepts.
- ❖ Participated in professional development opportunities and attended in-services and seminars.
